Whereas many people world over are facing the brunt of recession, there are ominous signs that this situation might turn into a depression if remedial measures being taken fail to have the desired impact. While we are not sure about how long it will be, we need to take it up as a challenge and be mentally and financially prepared for it. If you want to know more about the financial crisis that has engulfed the global economy, read this book, and find out about credit squeeze, declining share markets, falling industrial growth, etc. Ramesh Tehlani in his book *Recession Challenge* provides valuable information about Recession and gives strategies in order to survive the crisis posed by Recession.
