At its best, the human mind has awesome powers that can beat even super-computers, two such examples being Grandmaster Garry Kasparov and maths wizard Shakuntala Devi. Even the best of minds and memories, though, need to be nourished and honed. And Brahmi "a herb popular in India since Vedic times" does this best.

This booklet focuses on:

- 1.All about the preventive, curative and restorative properties of Brahmi for numerous ailments, while stressing on its amazing memory-enhancing abilities.
- 2.For those suffering from memory disorders of any kind, Brahmi is just the panacea recommended.
- 3.Whether it is improving a young child's learning ability, a student's school, college or university performance or an elder person's failing memory, Brahmi produces phenomenal results.
