To a yearning aspirant the book describes a direct practical path in form of Siddhamrit Surya Kriya Yoga to begin at once this ascent to the immortal state. To the skeptic the book talks in enough depth, taking recourse to the scriptures and researches of the medical science wherever necessary, to bring forth the point that human evolution to state of superhuman existence, which is free from disease, old age, death and a harbinger of the Divine Consciousness upon the material plane of existence is a fantasy with full potential of becoming a reality.
